| LISTING DESCRIPTION | Compact A6 Seed Paper: perfect for sharing essential eco-messages on the go. |
| PRODUCT DETAILS | Ideal for eco-friendly event promotions, eye-catching corporate communications, or meaningful community messages, our A6 seed paper amplifies your brand's commitment to quality and sustainability, growing into a vivid wildflower display. Sustainably Printed Our A6 seed paper is high quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each sheet in-house right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytime! Our seed paper is exceptionally versatile, making it a perfect fit for garden beds, flower pots, and planters. So, if you're confined to a flat or perhaps living on a hypothetical spaceship, you can still enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Get your message across clearly with full-colour printing options on one or both sides of this seed paper, amplifying your brand's commitment to both quality and sustainability.
